## THE PRESENTATION

The Dean of the Faculty of Education asks the candidates for degrees to rise, and presents them with these words:

“Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled.”

## THE PLEDGE

The President, then rising, addresses the candidates in these words:

“Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges and liberties of this your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honor of your University, the encouragement of learning and the good of your country?”

Each candidate replies: “These things I pledge myself to do.”

## THE ADMISSION

The Chancellor then addresses the candidates in these words:

“By virtue of the authority vested in me by the Legislature of this Province, and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights and privileges pertaining to such degrees, and I charge you to use them for the glory of God and the honor of your country.”

Candidates then sit down.

## DIAMOND ANNIVERSARY OF THE FACULTY OF BUSINESS ADMINISTRATION AND COMMERCE

The year 1976 represents the Diamond Anniversary of the Faculty of Business Administration and Commerce. Although the University was founded in 1908, business education at The University of Alberta had its formal beginning in 1915-1916 with the establishment of a School of Accountancy within the Faculty of Arts and Science.

The first Bachelor of Commerce degree program was introduced in 1921-1922 within the Faculty of Arts and Science. The School of Commerce was formed in 1928 and the first class graduated in May, 1929. By 1930-1931 the enrolment was seventy-nine. In 1947-1948 the enrolment reached a peak of three hundred and nineteen and the next year Dr. Andrew Stewart became the first Director of the School of Commerce. Dr. Stewart later went on to become President of the University.

The growing importance of Business Administration was recognized in 1954 when Professor B. A. Lindberg of the Harvard School of Business Administration was appointed Director of the School of Commerce.

Dr. Hu Harries was appointed Professor and Director of the School of Commerce in 1958. By 1960 the enrolment was two hundred and fifty-seven and the full-time academic staff numbered six. That same year the School was given Faculty status with Dr. Harries becoming Dean.

In 1964-1965, the Faculty began to offer a program of studies leading to the degree of Master of Business Administration.

During the past decade the Faculty has experienced rapid growth both in students and staff. This growth is reflected in the number of degrees awarded. In May, 1975, over two hundred and eighty students received the Bachelor of Commerce degree and thirty-three M.B.A. degrees were awarded. This year two hundred and ninety-two students are being awarded the Bachelor of Commerce degree and thirty students the M.B.A. degree.

At present the Faculty is comprised of approximately sixty full-time faculty members and fifteen non-academic staff. The student body consists of over eighteen hundred full-time undergraduates and over two hundred M.B.A. students.

In earlier years some of the distinguished people who served the Faculty long and well included the late Cecil E. Race, first Registrar of the University; the late Mr. Justice L. Y. Cairns, former Chancellor; Dr. F. G. Winspear; Prof. J. D. Campbell; and the late Messrs. R. W. Hamilton, C. L. King, and A. G. Perroni.

The present Dean, Dr. E. J. Chambers, who was appointed in 1969, is vacating the position this summer to return to full-time teaching and research activities. The University community was recently saddened by the untimely death of the person who had been selected to succeed Dr. Chambers as Dean, Dr. J. D. Muir, who had served the University since 1964.
